Product information

Product group	Bushes
Item number	CRA00000
EAN / GTIN	CRA00/000-000
Product name	Bush

Product description

Crassus bushes enable - in combination with outside adaptors - a reduction to smaller pipe dimensions. Outside diameter differences with more than 10mm have to be compensated with Crassus bushes. These are made by us individually according to customer requirements.

Technical drawing

Dimensioning

A Size range	50-2000 mm
----------------	------------

Specification

Pressure tightness	0 bar
Weight	variable
Material	EPDM

CE certification

gemäß / according to	EN 681-1
----------------------	----------

Resistances

Heat resistant	140 °C
Cold resistant	-60 °C
UV resistant	✓
Suitable for soil	✓
Flush-mounting suited	✓
