Product information

Product group	O-Ring
Item number	CRA18256
EAN / GTIN	4260182346587
Product name	O-Ring CUR 100 SML/KG

Product description

O-Rings used to connect different pipes spigots to vitrified clay pipe- or concrete pipe-sockets without a sealing; suitable for horizontal or vertical installation; suitable for flush-mounting and soil; UV-resistant material

Technical drawing

Dimensioning

A Size range	156-162 mm
B Size range	110 mm
L Cord thickness	32 mm

Specification

Pressure tightness	0,5 bar
Vacuum tightness	-0,3 bar
Jetting resistance	120 bar
Weight	0.205 kg
Material	EPDM

CE certification

gemäß / according to	EN 681-1
----------------------	----------

Resistances

Heat resistant	120 °C
Cold resistant	-40 °C
UV resistant	✓
Suitable for soil	✓
Flush-mounting suited	✓
