Product information

Product description

Extremely versatile self-fusing repair tape. Repairs leaks as well as various additional applications, such as electrical insulation. Pressure resistant up to 8 bar, Insulates up to 8000 volts, Temperature resistant from -65°C to 260°C, and Resistant to fuels, oils, acids, solvents, saltwater, road salt, and UV radiation.

Technical illustration

Dimensioning

Thickness	0.7 mm
Tape thickness	25 mm
L Length	3.5 m
Specification	
Pressure density	8 bar
Weight	0.078 kg
Material	Silicone
Resistances	
Heat resistant	260 °C
Cold resistant	-65 °C
